

We are committed to making our website as accessible as possible to people with special needs, including those with visual, hearing, cognitive, and motor impairments. We're constantly working towards improving the accessibility of our website to ensure we provide equal access to all our users.

As part of our commitment to accessibility, we ensure that our website is conformant with Web Content Accessibility Guidelines 2.1 (“WCAG 2.1”) up to level AA. This ensures the website is flexible and adaptable to different users’ needs or preferences and is accessible through a variety of different technologies, including assistive technologies.

Feedback

For any specific questions or concerns about the accessibility of any particular web page or a feature, please contact us to speak to a representative. We will respond to feedback within 5 business days. We thank you for your assistance in enhancing the accessibility of our website and we look forward to serving your needs!
